STAT

SUBJECT: Redraft of House Permanent Select Committee on
Intelligence (HPSCI) Covert Action Procedures

1. Attached is a redraft of the HPSCI covert action procedures which reflects our discussions with the HPSCI staff on 18 June 1985. As you can see in Mike O'Neil's attached note, he has suggested that we secure the approval of the DCI for this clarification statement before he shares the procedures with Chairman Hamilton. In addition, he has proposed that the Statement of Clarification be signed by Chairman Hamilton and the DCI without an additional exchange of letters.

2. I would appreciate receiving your comments concerning this redraft and Mike O'Neil's suggested course of action at the earliest practicable moment.
